### Apple TV is easy to set up.

1. Connect one end of an HDMI cable (not included) to an HDMI port on the back of your TV. Connect the other end to the HDMI port on your Apple TV.
2. Turn on your TV, then select the input that matches your HDMI input (from step 1).
3. Follow the onscreen setup instructions, and you're ready to experience Apple TV.

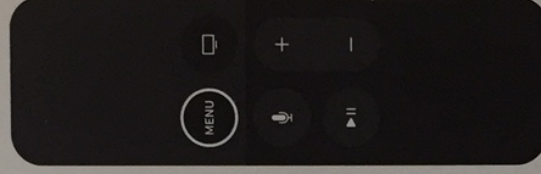

**USB-C**  
(Service only)

Power      HDMI      Ethernet

### A remote that puts you in control.

With Siri, you can discover new things to watch simply by asking. Or use your finger on the Touch surface to control Apple TV. Swipe left or right. Or up or down. You now have all-new ways to navigate Apple TV quickly and easily.

#### Menu

Press to return to previous menu.  
Press and hold to return to the Home screen.

#### Siri

Press and hold to talk.

#### Play/Pause

#### Touch surface

Swipe to navigate.  
Press to select.  
Press and hold for contextual menus.

#### TV/Home

Press to return to the TV/Home screen.  
Press twice to view open apps.  
Press and hold to sleep.

#### Volume

Lightning connector for charging
